

# Family Advent Chain / Journal

## Supplies:

- Construction paper, printer paper or sturdy wrapping paper you can find at the Dollar store, Walmart or other retailers.
- Scissors
- Staples, glue or tape to connect the end of the paper together
- Pens, pencils, canyons or magic markers

## Instructions:

Cut 24 2" slips of paper or as many slips of paper your family needs. Enough slips for each family member for devotions each Sunday or for everyday till Christmas.

Sit down together to fill each slip out. Here are a few suggestions:

- Names of parts of the world you want to pray for
- People you want to pray for
- Memories you are making this season
- Specific prayer requests for your family and or church.

Set it in the middle of the dinner table or living room, and have children and adults take turns drawing one out each day of Advent or each Sunday as your family gathers to pray and read the Advent guide.

Hang it on the wall or your tree and watch it grow!

When you put away Christmas ornaments etc. you can store your Advent chain in a large zip lock bag and enjoy reading it together as you decorate next year. Hopefully it will remind you of all the ways God answered prayer and His faithfulness through the previous season.
